

IQAC Meeting 20/10/2020

A quarterly meeting of IQAC is held under the presidentship of Dr. Sanjib Borgohain, the Chair person of IQAC. The coordinator, Gitali Saikia, states the objectives of the meeting saying that the last AQAR will be discussed in today's meeting, and how the online and offline mode classes would be running, that also will be discussed.

The AQAR of 2018-19 has been discussed in the house. The coordinator appeals everybody to establish linkages with diverse departments and institutions. MoU could be signed with various institutions to work in collaborative way. The coordinator says that more certificate courses and two or three diploma courses will have to be opened in this college. The house requests the principal to take action regarding opening of certificate course and diploma course. The house suggests to mentor the students regularly. As some of the students cannot avail the online class facility due to lack of android mobile phone, internet facility etc., offline classes would be continued. Gitali Saikia, the coordinator, and Manashi Gogoi, associate prof., Dept. of Education, state that only a few students join the online classes. Continuation of Sattriya Nritya and Beatician Course is also discussed. Rajani Kanta Dutta, an external expert of IQAC, says that it would be impossible to run the courses due to govt. Covid protocol. Until a new SOP would be released to run such programmes, college could not re-start the classes of Beautician and Sattriya Nritya courses. In the Sattriya Nritya a number of school children are also enrolled. Gitali Saikia says that teacher's feedback also should be taken from this year, and for that a formate would be prepared. The Chairperson assigns the coordinator to prepare a feedback form for the teachers. Bornali Saikia Sonowal says about SSS, and requests the colleagues to prepare questions. The chairperson asks everybody to work unitedly to ensure quality education during the Covid created adverse situation. He also requests the teachers and non-teaching staff to organize webinar, online-workshop as they have already done. Lots of students donot come to attend off-line classes. Hence, proper strategy should be taken by the teachers to improve teaching-learning and evaluation process. Online examinations should be taken. Manashi Gogoi again says that the dept. of

Education have taken regular examinations. Other departments also take regular online examinations. The Chairperson thanks everyone and asks everybody to take proper care to stay safe. Then the meeting comes to an end.

Resolutions taken:

1. Mentoring of students (both online and offline mode) would be done properly.
2. Both offline and online degree classes would be done.
3. Beautician Course and Sattriya Nritya Course would not be started until govt. SOP for starting such classes would be released.
4. Online examinations of various departments would be taken.
5. Principal's office would do the necessary for starting certificate and diploma course in the college.
