

7.2 Best Practices for the session 2022-23

Best Practice-1

1. **Title of the Practice:** Initiation of Morning Assembly.
2. **Objective of the Practice:** It aims at inculcating a sense of morality, righteousness and truthfulness among the learners. Further, it aims to develop patriotism and accountability towards the institute, society and thenation.
3. **The Context:** The practice aims at fortifying the students' minds with the spirits of morality, righteousness, spirituality and dedication for institutional and societal upliftment.
4. **The Practice:** The assembly starts with community prayer, following the reading of the headlines of the Newspaper every morning. Further, an oath of having faith & allegiance towards the college rules is subscribed, and the assembly winds up with the national anthem. Moreover, the day's importance, if any, is brieflydiscussed.
5. **Evidence of Success:** Since the inception of this practice, steady yet viable changes have been recorded with the learners' outlook. Gradual enhancements of discipline, punctuality, sense of etiquette and spirit of public speaking have been observed. Further, attentiveness and the quest for new ideas and knowledge have also been seen to increasesignificantly
6. **Problems Encountered and ResourceRequired:**

Problem:

1. Irregularity of participants

Resource Required:

1. An adequate Sound system is required because the existing one is not sufficient.

Best Practice-2

1. **Title of the Practice:** EcoClub
2. **Objectives of the Practice:**
 - To develop a sense of environmental conservation and sustainable development
 - To create awareness about environmental problems.
 - To improve environmental conditions.
3. **The Context:**
 - Declining concern of the younger generation towards environmental issues.
 - Lack of awareness of the causes and consequences of environmental crisis.
 - Inadequate steps taken for the improvement of environmental conditions.
4. **The Practice:**
 - The unique position of the college students as conduits is utilized for creating awareness of environmental conservation.
 - Participation of the students in various programs, activities and projects influences the people residing in the nearby locality of the college.
 - Students are motivated to keep their surroundings clean and green by planting saplings.
5. **Evidence of Success:**
 - Plantation and growth of trees in the college campus and neighbouring areas.
 - Enhancement of the beauty of the college campus.
 - Survival of maximum number of trees planted.

- Clean and green campus.

6. Problems Encountered and ResourceRequired:

Problems:

- Lack of motivation

Resource Required:

- Involvement of local people in the entire process.
- More financial support
