

Report of the Power Seminar Organised by HCDG College, Nitaipukhuri on

“Employability to Deployability”

In association with

ICT Academy on 25th April, 2022

A virtual power seminar is organised by HCDG College, Nitaipukhuri, Sivasagar in association with ICT Academy as the first programme under the MoU signed between HCDG College and ICT Academy on improvement of overall teaching-learning quality in the institution. The topic of the virtual power seminar is **“Employability to Deployability”**. The basic objective of the seminar is to create awareness about various crucial issues of employability in a rapidly changing job market. As a result of contraction of government sector jobs in India after adoption of globalization, liberalization and privatization in 1991 the private sector is the main driver of job creation. But due to population explosion and change in the skills for jobs the students are required to earn and train them with different employability skills. The key note address is given by Dr. Gitali Saikia, HoD of English and Coordinator of IQAC, HCDG College. She has rightly pointed out that in a world where the survival of the fittest policy is applicable the students need to empower themselves with the employability skills to gain economic and social empowerment in the later phases of life. Then in the Technical Session-I Unnikrishnan Rajappan, Head-Human Resources of Astro-Vision Futuretech Pvt. Ltd explained different fundamental employability skills like effective communication, information management, good mathematical literacy, critical thinking and decision making. He also discussed various criteria of deployment assessment considering the skills of communication, business acumen, team work etc. In the Technical Session-II Anjani Kumar Sinha, CEO of AdCanyon. He had discussed with examples the interconnection among knowledge skills and employment. A very brief speech is also given by Subhas Upadhyaya, Relationship Manager of Corporate Initiative, ICT Academy focusing different ICT Academy initiatives.

The interactive programme is ended with a vote of thanks given by Mr. Phanidhar Saikia, Vice-Principal of HCDG College. He extends his gratitude to the Principal, welcome note speaker Dr. Gitali Saikia and all the Resource Persons for

their valuable speeches. A representative of 22 students from 6 Departments has participated in the programme.
